

The image shows a screenshot of an IDE's console window. On the left, there is a vertical toolbar with icons for running (a green play button), debugging (a magnifying glass), and other development tools. Below the toolbar, the words 'Structure' and 'Bookmarks' are visible. The main area of the console is dark gray and contains the following text: a file path 'C:\Program Files\Java\jdk-17\bin\java.exe ...' at the top, followed by 'Nombre: Carlos Navarro' and 'Salario: \$750000.0', then a blank line, followed by 'Nombre: Miriam Carrillo' and 'Salario: \$1400000.0', another blank line, and finally 'Process finished with exit code 0' at the bottom.

```
